Re: Request for Waiver by Tracy Corporation II on Implementation  
of TTY Digital Compatibility for 911 Emergency Calling for  
Station KNL407, CC Docket No.94-102, **SUPPLEMENT**

Dear Ms. Dortch:

On behalf of Tracy Corporation II ("Tracy"), and pursuant to staff request, this letter is a supplement to the above-referenced Request for Waiver which was filed with the Federal Communications Commission on June 26, 2002. In that letter, Tracy requested a waiver and an extension of the June 30, 2002 deadline for TTY Digital Compatibility for 911 Emergency Calling due to lack of support from its vendors. By this Supplement, Tracy hereby requests this extension through and including June 30, 2003.

If there are any questions regarding this Request, please address them to the undersigned.

Very truly yours,

Audrey P. Rasmussen
